SPORTS

BY JAMES W. W. BREWSTER.

OAHU POLO TEAM FOR FIRST GAME PICKED

A fast and exciting practice game of polo was played yesterday afternoon at Moanalua between the Red and Blue teams of the Oahu polo club, the Reds winning the game after two regulation periods by a 4-3 score.

Both teams played much better polo than they have in the past, and with a little more practice will be a hard team to defeat.

Sam Baldwin and Ali Magoon for the Reds played the best game, while Lewis and Harold Dillingham took the honors for the Blues.

Magoon, Baldwin, Lewis and Dillingham were chosen to represent Oahu at Leliehua on Saturday. Lani Lemon, Lieutenant Rogers and John Erdman being selected to go with the team as substitutes.

The game at Leliehua on Saturday will commence at two thirty sharp, the players from Honolulu being requested to be on the field not later than one thirty for practice. The teams in yesterday's practice lined up as follows:

Blues—Lani Lemon, Bob McCarrison, E. H. Lewis and Harold Dillingham.

Reds—Ali Magoon, Sam Baldwin, Lieutenant Rogers and Orderly Pickett.

HILO TENNIS RESULTS.

HILO, June 29.—The tennis season in Hilo this year is a huge success. Great interest is being shown, particularly by out-of-town people, and it appears that interest in the great game will extend even beyond the time of the playing of the tournament.

The annual tournament is now in full swing, and a number of preliminary matches have already been played. On Saturday a splendid game of singles was played between Mrs. Bartels and Miss Minna Weight, when an exhibition of fast work was given by both ladies. Mrs. Bartels was victorious by the following score: 6-3, 1-6, 7-5.

L. S. Connors played Robert Mabey, winning by 6-3, 6-2.

H. Vickers defeated Harry Irwin, 6-3, 6-4.

A good game of doubles was played between Connors and Doctor Irwin against Fraser and Henderson, the former winning, 3-6, 6-3, 6-1.

A. Desha was defeated by George Willifong, 6-1, 4-6, 7-5.

Later on a number of interesting games were played. W. H. Hilsenman defeated Geo. A. Cool, after three close sets, 7-5, 5-7, 6-3.

Henderson defeated McCall 6-1, 5-7, 6-2.

Miss Sadler and Henderson playing against Miss Weight and Koehnen won after two interesting sets. The games were close and there was considerable excitement—6-3, 6-2.

Vickers and Irwin vanquished Robert Mabey and A. Desha, 8-6, 9-7. There was fast and clean work throughout, and the boys made an excellent showing against the older and more experienced players.

The interest which the tournament has caused is making itself manifest by the fact that a number of challenges are already being arranged outside of the regular tournament matches. Thus Henderson and Fraser of Hakalau, will play against Connors and Doctor Irwin of Hilo and Olua for a dinner for six to be given by the losers. A new court is being built at Olua, and when the railroad extension makes Hakalau more accessible, there will without doubt be some interesting matches between the clubs of Olua, Hakalau and Hilo.

ABE WIRES IN.

Professor Abe, manager of the Waseda University baseball team, wired in last night from the Chiyo Maru to Editor Onodera of the Japanese Daily Chronicle, that the ship would arrive at an anchorage tomorrow at noon.

Permission has been obtained from the collector of customs, E. R. Stackable, for the committee to go out on the customs launch to meet the ship and to come in on the liner as soon as she is passed by the quarantine officials.

Berger with the band and the officials of the Oahu league, will meet the players on the Alakea street wharf, an informal reception will be tendered the players on the wharf before they are taken to their headquarters on Vineyard street. On Saturday the team will be taken to Athletic park where they will be given a chance to limber up for their first game on Sunday with the All Oahu team.

The box plan for Sunday and Monday's games was opened this morning at Chambers Drug store. The sale of

seats has been very encouraging to the management and before the gates are opened Sunday afternoon every seat will probably be taken.

The All Oahu team will line up as follows against the Wasedas:

Soares, c; Kealoha, p; Akana 1b; Franco 2b; Ross 3b; Kaimi ss; Madela cf; Teves lf and Williams rf.

CHATTANOOGA VS. PUNS.

At Alexander field this afternoon at four o'clock, the baseball teams of the U. S. S. Chattanooga and Punahou Alumni will fight for honors on the diamond. The Cleveland team played a seven inning game with the Chattanooga players yesterday afternoon at Athletic park, the former team winning by a 5-1 score.

In spite of their defeat yesterday afternoon, the cruiser players are confident that they will be able to defeat the ex-players of Oahu college.

The champions last year of the Oahu league, the J. A. C's are anxious to play the sailors before they leave and before very long a challenge will be issued.

The Puns are anxious to win today's game as it will be their last practice game before they meet the P. A. C's on Monday afternoon.

All the players who have been picked for the Oahu Alumni team are requested to be on hand this afternoon ready for playing not later than three thirty.

MCCOLLUGH VS. HOAO.

Jack McFadden has signed up "Ironman" McCollough and Jim Hoao for a ten round boxing exhibition at Aloha park on Saturday evening, July 9. The many friends of both men are anxious to see them in action, and judging from the form shown by Hoao in his previous matches he should give McCollough a hard time of it.

Terrien and Wahlan have been signed up for a ten round go, while Yedbin of the Cleveland and Crowley of the Chattanooga will go six rounds for a decision.

Sarcone and Gans are also anxious to meet again, but it is doubtful if they will be matched next week as there is some trouble about weight. The first event on the program, the six rounds go, will be started promptly at 8:30, the McCollough-Hoao go being scheduled for 9:30.

Seats will be on sale at Fitzpatrick's cigar store on Fort and Hotel streets in a few days, and if the past shows arranged by McFadden are any criterion, the house will be tested to its limit.

RICE ARRANGES MEET.

Billy Rice, one of the best known sprinters in Hawaii, has arranged an Athletic meet for Monday morning next at the Boys field in which will compete the best athletes in Honolulu and the best track and field men from the cruisers now in port.

Such men as Norton, Jones, Marcalino, Carey, En Sue, Young, Withington, Hoyt, McCandless, Desha, Hitchcock, Mackenzie and Chillingworth have agreed to compete for the prizes that will be given for each event.

The following events will be held in the order named:

Hundred yard dash, a two-twenty, four-forty, eight-eighty, half mile relay race, a high jump, standing and running; broad jump, standing and running; pole vault, hammer throw and shot put.

No admission will be charged, and with the track in any sort of shape some island records are likely to be broken.

A special fifty yard dash between Mackenzie, Rice and En Sue is being arranged, which ought to be the incentive for a large attendance. The first event will be started promptly at nine o'clock so as to have the program completed before noon.

OUTRIGGER DOINGS.

Plans for the races at Waikiki on Monday, under the auspices of the Outrigger Club have been completed, and with good weather and a heavy surf the contestants should have a good day of sport.

The crews from the Cleveland, Chattanooga and L'Avenir have been selected, the races between these three crews causing no little speculation as to the outcome. Local men will act as coxswains in each of the races where the sailor lads compete. In the evening the Royal company will entertain at the Outrigger theater, the program including minstrels, drama, vaudeville and a cake walk. After the performance is over the members of the club and their guests will enjoy a

dance that will be given in the new dancing pavilion just completed.

The following crews for the six paddle canoe races have entered:

In the Liokeokeo—Curtis Hustace, Dave Peterson, Ed Sailor, Robert Sinclair, C. D. Wright and A. Hall.

A DAY WITH COLONEL BOGEY.

Saturday morning—and the pile of correspondence on the desk-top must evaporate before the clock-hand reach 11.45. For at twelve the Golfers Special, the train of joy, steams on its way for the green country, leaving behind it not only a trail of smoke, but every care and week-long worry that has infested a hard-working brain.

It is a thing to wonder at, this crowd of business men, whose faces during the week have worn those two star wrinkles between the eyebrows; to watch the now care-free expression as the car-seats are flopped over so that yarns may be exchanged face to face.

Here is Vandewater with another new putter. Van always has a new putter. He's a putter fiend, and he has tried everything from the original goose-neck down to a croquet mallet. His latest monstrosity has a head on it as big as a tomato-can, and to give it individuality he has shortened the shaft, so that he may use it with one hand.

Clausen has a new caddy-bag, and it superiority over every other bag that has been on the market must be allowed to stand as beyond dispute. It is big enough to carry an extra suit of clothes and hobbled shoes, and it weighs enough, with his pet collection of clubs, to make the heart of the most enthusiastic caddy quake.

Look at the fresh mid-irons and mashies! That new-fangled brassie, with the added weights behind, sure to gain at least fifty yards for the weak est driver! Oh, the hopes of the Saturday afternoon crowd ready to do battle with Colonel Bogey! Well might the Colonel tremble if he had not seen the crowd so often before and lived to take his hearty laugh the following morning.—J. S. Tousey, in Harper's Weekly.
